

**Computer Account Request Form**  
**for SSRL Macromolecular Crystallography systems.**

Fill in this form and sign the security statement at the bottom of this page to request an account on the Macromolecular Crystallography Group computers at SSRL.

**Name**

**Institution**

**Mailing Address**

**Email Address**

**Telephone**

**Name of PI**, supervisor or other person with whom we can make contact should there be any question about the use of the account.

**Initial password desired.** (Must be changed at first login).

The password must be at least 8 characters in length, must have a combination of alpha numeric and special characters and can not be too obviously derived from a dictionary word or your user name.

---

**Declaration to be signed by all users of SLAC Information Resources**

I have read and understood the document "Use of SLAC Information Resources" (<http://www.slac.stanford.edu/comp/security/csc-policies/info-res-use.html>) dated January 2012 and signed by SLAC Director. I agree to use SLAC information resources only in accordance with this document. If I am officially notified of new or additional policies on the use of SLAC information resources, I agree to abide by these policies or immediately cease using SLAC information resources.
