text me a temporary password

phone me or leave a voice message with my temporary password.

Our database will store automated data processing results for display in your instance of the Blu-ice software. If you want to opt out of auto-processing for any reason, please check this box.

Declaration to be signed by all users of SLAC Information Resources

I have read and understood the document "Acceptable Use of SLAC Information Resources Policy" (<http://www.slac.stanford.edu/comp/security/csc-policies/info-res-use.html>) dated May 2019 and signed by SLAC Chief Information Officer. I agree to use SLAC information resources only in accordance with this document. If I am officially notified of new or additional policies on the use of SLAC information resources, I agree to abide by these policies or immediately cease using SLAC information resources.
